

# The Story has Just Begun!!

By Dianne McGuigan

Hello Everyone!

Re: (Vacation trip December 29, 2011, thru January 06, 2012)

Recently my twin daughters Nicole and Danielle and Nicole's boyfriend Cody and I went on our FIRST Coastal Holiday since I purchased the package back the end of May 2011. I had been very busy building the business and didn't have an opportunity to take a vacation, that, and the girls being in College, could not take time away. As soon as the Christmas break came along, it was time to hit the road on our first Holiday!!!

I was excited to use my Coastal Vacations Package!!!

We had a **GREAT** time!

We drove so we could have the flexibility to go wherever we would like.

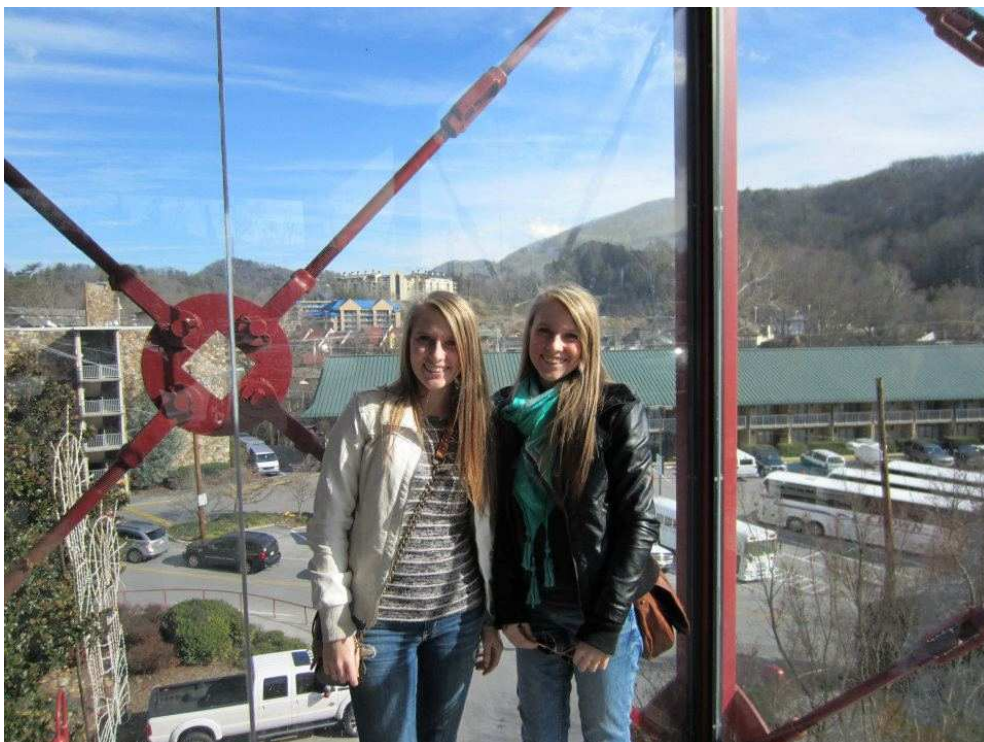

We took in a day at Gatlinburg/Pigeon Forge and as a matter of fact, I should mention that we went there the first day before checking into our Condo.

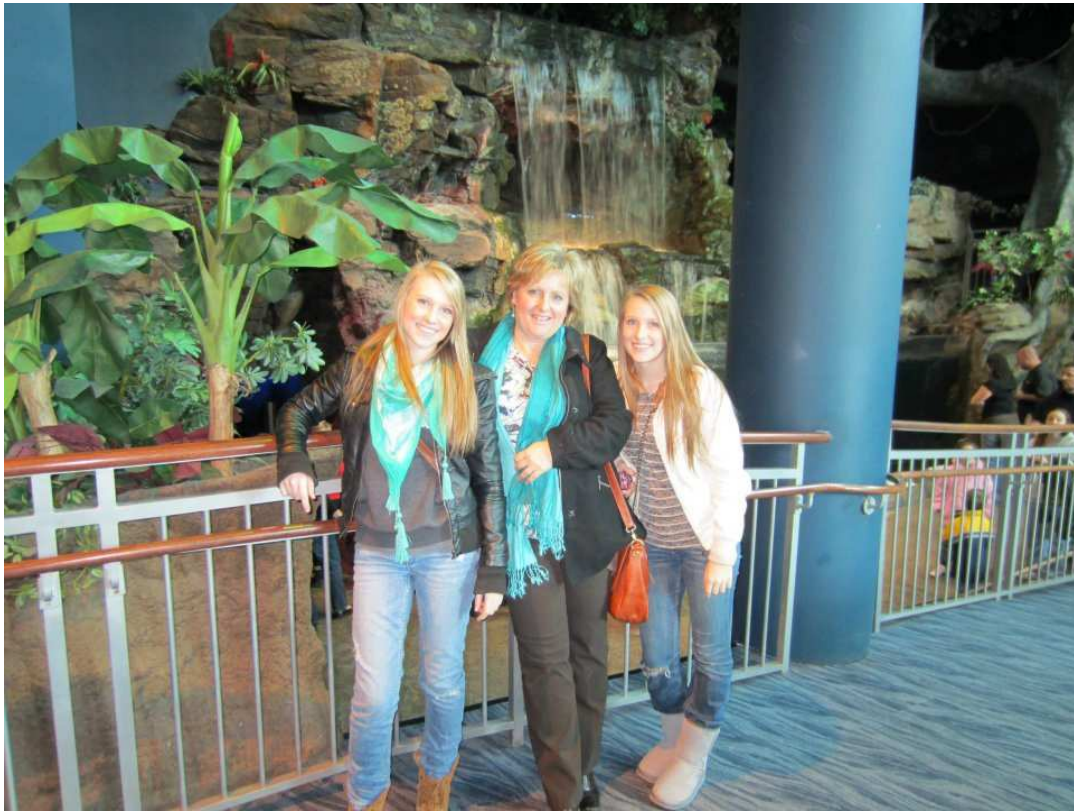

Gatlinburg/Pigeon Forge is nestled in the foothills of the Smoky Mountains. You can be adventurous and spend your nights around a fire at one of the many campgrounds. While strolling along the Parkway and explore the various attractions, theaters, and stores.

We attended some local attractions, such as an aquarium. This was a breath-taking view from the outside.

Inside the aquarium at Gatlinburg/Pigeon Forge.

Another inspiring view from the inside of the aquarium at Gatlinburg/Pigeon Forge.

It was a random stay overnight at Gatlinburg/Pigeon Forge.

I had to book a room with one King bed and pull out couch to fit us!!

Super8 that was \$90.24 for ONE night!!!

( I later found out Super8 is on our Access Card in our package.)

This place on its own is almost enough to warrant a trip to the Smoky Mountains.

You may think a knife store isn't that special, but it's so much more. It is far more like a shopping mall of knife-related goods. It's cliché to say it's "fun for the whole family", but it really is a place almost everyone can go to and find something to enjoy and find interest in.

There are a number of vendors here selling lots of loosely connected merchandise. The focus is on knives, and they have everything from combat knives and throwing knives to fancy collectors knives, to folding pocketknives, to kitchen knives.

The entire bottom floor is kitchen supplies (branching off of cooking knives), various vendors also sell swords (mostly flashy display pieces, but some serious blades), martial arts weapons (from the practical to the cheesy), outdoor and camping supplies, patriotic merchandise, and lots of local souvenirs.

I used one of my Certificates and was able to book a beautiful Condo at a Resort (Forest Glade Resort) location in Tennessee.  
The deal was \$198.00 for 7 nights!!!!

## Jaqueline's Boutique

An AWESOME boutique the ladies would love. Very quaint and impeccable service, wine and tea and cookies served, just awesome in there. Fireplace in the corner. They sure know how to treat customers! I spoke to them about my travel package too!

We were able to create a new view on life!!

I will definitely return and would like to go in the fall to see the beautiful colors of trees and the mountains.

As the sun sets upon one last thought about the first vacation in years!

I am a single mom of three and was introduced to the Coastal Vacation business back in late May, 2011! I saw the value of the packages they offered and I definitely had interest in starting a business as a way to improve our lives. I had hit bottom financially and definitely needed a way out of the desperate situation my kids and I were in! I got busy right away and started to share the business and generated an incredible income very quickly. Often people would ask me if I had went on a vacation and used my package and my answer was always no NOT YET, because I was so busy and with my girls being in their first semester of college it was impossible to pull them from school. However, in December 2011, I felt that would be the perfect time to take a vacation while they were on their Christmas break. It was very easy using my package to book the Condo Resort. There were many places throughout the US or Canada that we could have visited but there was something about this Resort in Tennessee that caught my attention so I booked! It was a very simple process!!! We left on December 29th and drove 11 hours arriving in Gatlinburg and booked in to the Super Eight for the first evening. This was a random stop because when I left I wasn't quite sure where we would end up for our first night! Then on the 30th we checked in to our Condo in Fairfield Glade Resort and stayed through until Friday, January 6th.

As a family we are super excited about being able to travel whenever we want where we want because of this Awesome Company and Product! I am in awe to what we have our hands on and our lives have absolutely changed!

We thoroughly enjoyed the trip and now my kids cannot wait to go on their next Coastal Vacation! My daughter just informed me that she will have a week off in March and I have never been alone on Vacation with Danielle so I believe we will be CRUISING!!!!

This Package is EXTRAORDINARY and the Business has changed our lives!!!!
